DHYANA CENTRE REGISTRATION

For those wishing to involve themselves in Centre activities beyond the Tuesday beginners' course, registration is required and there are two distinct levels: Associate and Member. Associate status is open to all attendees and is effectively a trial membership; it is free and involves joining the email circulation list as well as giving access to the DC's lending library and certain restricted-entry sessions. Full Member status is only open to those who have been through one of the Centre's foundation courses and it includes fellowship of the Theosophical Society for which a fee of £20 per calendar year is payable.

If you would like to register with the Centre as an Associate, please complete the section below and hand it to Alan Perry, the Centre Director. Once registered, there is no need to renew: those who continue to attend the Centre will in due course be invited to upgrade to full Membership: those who stop attending are automatically weeded from the register after a few months of inactivity.

If you are interested in full (TS) Membership, please speak to Alan; there is a separate application form.

PLEASE NOTE that Associate registration requires basic contact particulars: if you opt not to provide these and give only your email address, you cannot be registered as an Associate but will instead be added to the more casual Visitors & Enquirers listing; you will receive the Centre newsletter for a few months.

EMAIL: please add **info@dhyanacentre.org** to your email address book so that Centre emails are not mis-identified as spam. If you wish to unsubscribe from the circulation list at any time, please send a blank email to **unsubscribe@dhyanacentre.org**
